

## **Business Update Release**

# **A.K. Spintex Limited Renamed as Sunrakshakk Industries India Limited**

**The renaming reflects the company's long-term strategy and vision to evolve into a diversified player within the FMCG and the FMCG intermediate chemicals segment.**

**Bhilwara, May 22, 2025:** A.K. Spintex Limited, a long-standing player in the textile industry, is pleased to announce its renaming to Sunrakshakk Industries India Limited, reflecting the Company's strategic expansion into the FMCG and FMCG intermediate chemical segments.

As part of this rebranding, the Company's BSE Scrip ID has been updated from "A.K. SPINTEX" to "SUNRAKSHAK", reflecting its new identity. The **Scrip Code (539300)** remains unchanged.

**Old Company Name:** A.K. Spintex Limited

**New Company Name:** SUNRAKSHAKK INDUSTRIES INDIA LIMITED

**Old Scrip ID:** AKSPINTEX

**New Scrip ID:** SUNRAKSHAK

**BSE Scrip Code:** 539300

**Commenting on the company's renaming, Mr. T.C. Chhabra, Director of A.K. Spintex Limited, said:**

*"The renaming of our company to SUNRAKSHAKK INDUSTRIES INDIA LIMITED is a strategic move aligned with our long-term vision to evolve into a diversified enterprise. While our textile business remains an important part of our growth strategy, this transition reflects our intent to tap into the high-potential FMCG and FMCG intermediate chemicals sectors."*

*The 'SUNRAKSHAK' brand embodies our commitment to delivering reliable, value-driven solutions that enhance everyday life and industrial efficiency. This diversification is not only aligned with emerging consumer trends and market needs but also strengthens the foundation for sustainable, multi-sector growth. We believe this strategic realignment will unlock new opportunities and drive long-term value for our stakeholders."*

### **About Sunrakshakk Industries India Limited:**

**Sunrakshakk Industries India Limited**, formerly A.K. Spintex Ltd, is a diversified enterprise with a legacy in textiles and a growing focus on the FMCG and FMCG intermediate chemicals segments. As part of its strategic transformation the company has expanded beyond textiles, marking a key shift toward high-growth FMCG and FMCG intermediate chemical segment. While the textile division remains an important contributor, Sunrakshakk future is anchored in innovation, value creation, and sustainable diversification across sectors. With experienced leadership and a clear growth strategy, the company is emerging as a dynamic player in India's evolving FMCG landscape.
